Music

“Changing lives one note at a time while becoming more in tune with Christ.”

Music is a God-given means of expression. With this in mind, all course offerings within the music department emphasize quality literature and production along with technical and historical information relative to the music. Concert Choir, Jazz Band, Orchestra, Sylvan Chorale and Wind Ensemble are offered to all students. We also offer individual lessons in piano, voice and instruments.

Sports

We believe physical education are important for a balanced lifestyle. This is why we offer junior varsity, varsity and intermural sports programs along with our regular PE program. In our junior varsity and varsity programs, we provide an opportunity for students to play against other Christian and public schools in our area. They learn what it truly means to be an Auburn Academy Falcon:

*“Win with grace, lose with dignity and
above all else, Glorify God!”*

Campus Ministries

Our school exists to provide spiritual opportunities for young people to grow in their relationship with Jesus. In all we do, whether in music, sports, missions, or academics, we are committed in having Jesus be the focus of the AAA experience.

Here are a few of the programs that we offer:

- ◆ Mission Trips
- ◆ Church Praise Teams
- ◆ Journey to Bethlehem
- ◆ Journey to the Cross
- ◆ Friday Night Worship Experience
- ◆ Community Service Activities
- ◆ Quarterly Week of Prayer

The mission trips are a highlight of each school year. Our mission trips give students the opportunity to serve and minister globally.
